

# Project Name

How did the course content apply to you and did it meet your expectations?

- How well did the instructor relate the course information to you?

What are the most valuable gains or experience you received from this course?

- Please list the major strengths and/or weaknesses of the instructor.

- Please give one or more examples or ideas the instructor could use to improve their teaching methods.

If you were teaching this class, how would you improve it?

- Please discuss how professionally the instructor carried him or herself.

Please list additional feedback; all ideas and suggestions appreciated.
